

MANAGING DIRECTOR

ALEXANDER FORBES CHANNEL ISLANDS LIMITED

The Alexander Forbes Group is a leading provider of corporate and individual pensions, employee benefits, financial risk and insurance along with multi-manager investment solutions internationally.

We are seeking a dynamic business driver to lead and manage the success of the Jersey office of our growing international financial services business. With support and input into the group direction running from South Africa you will have the autonomy to drive and shape the Jersey team and evolve the products and market to deliver winning results for your clients.

Applicants should have a noteworthy track record of proven financial success, growing profits and market share and driving business results in a competitive market place; relevant accounting qualifications and product knowledge as well as experience at senior level within a heavyweight Company to evidence your achievements and personal impact.

For more information visit www.alexanderforbesoffshore.com/home and to apply please contact becky@hrnow.je

The closing date for applications is Friday 15 February 2019.
